There is a mystical Jewish legend which says that at any time there are 36 righteous men for whose sake God will save the world from destruction. These 36 people.. known as the lamed vavniks after the Hebrew letters for that number- are living modestly and unknown to the community, or even to themselves. But it is because of them that God preserves the world.

This legend has inspired our decision to increase our annual subscription from £35 to £36 as we believe that the work being done by RHR is part of our essential task of Tikkun Olam, repairing the world and wherever we can helping those who are in need.
